Greenbriar Tenants Corp.

85-15 Main Street
Briarwood, NY 11435

July, 2018

Dear Shareholders/Residents:

Greenbriar Tenants Corp. is hereby giving notice to all residents and shareholders of the Coop's smoking policy pursuant to New York City's newly enacted Local Law 147/2017 which policy is in accord with the existing NYC 2002 Smoke Free Air Act (the "Act"). This act was implemented due to the fact that the harmful effects of secondhand smoke caused by indoor smoking are simply too great to ignore.

Greenbriar Tenants Corp. has been, and will continue to be in compliance with the Act and be smoke-free in all enclosed areas except within a shareholder's actual dwelling unit and all common outdoor areas except as below. This means that there will be no carrying or use of a lit tobacco product, including e-cigarettes, hookahs and vaporizers (meaning any electronic device that provides a vapor of liquid nicotine and/or other substances to the user as she or he simulates smoking), in any indoor common spaces including but not limited to, porches, vestibules, laundry rooms, garages/parking lots, playgrounds and as may otherwise be prohibited by law. In addition, smoking shall be forbidden on any terraces within the apartments or within 100 feet of any entrance to the building that make up the cooperative.

- The Coop's smoking policy always has been, and will continue to be, applicable to all shareholder-tenants, subtenants, invitees of tenants, guests and any other person on the premises, maintenance personnel and staff.
- In accordance with Local Law 147, in the event a shareholder shall sublease his/her unit, the shareholder must incorporate this smoking policy into any sublease. Any shareholder selling the shares appurtenant to their unit must incorporate this smoking policy into the contract of sale. The Coop notes that Local Law 147 provides for civil penalties levied by the Board of Health in the event these required disclosures are not complied with; specifically, Local Law 147 provides for civil penalties in the event of any violation as follows: First violation: \$200 to \$400; Second violation, if within 12-months of first violation: \$500 to \$1000; Third or subsequent violation, within 12-month period: \$1000 to \$2000
- The Board will be amending the Coop House Rules to incorporate the Coop's smoking policy set forth above in accordance with local Law 147 and will distribute to all Shareholders a copy of the Amended House Rules as soon as same are available.

Thank you for your cooperation and compliance with the Coop's smoking policy and the Act.

Very truly yours,
Board of Directors

The New Law Regarding Smoking Policies

Beginning on August 28, 2018, all residential buildings with three or more units (such as The Greenbriar) are required to adopt a written smoking policy as mandated by Local Law 147. The law also requires the policy to be distributed to each resident or posted in a conspicuous place. Since we have shareholders who do not live here, we intend to include this memo in an upcoming monthly maintenance bill and post it in the building's lobby. The law also requires the policy to be distributed annually as well as included in any agreement to sell your apartment.

Amendment to the House Rules

The law requires that the smoking policy be incorporated into the Bylaws or the Rules and Regulations ("House Rules") of the Corporation. Section 2.13 of the Greenbriar House Rules already prohibits smoking in any common areas of the Corporation.

We will amend this section of the House Rules to update the definition of smoking to prohibit the use of all forms of smoking implements, cigars and cigarettes in common areas. Here is the new provision or Smoking Policy as amended:

Smoking is prohibited in any of the common areas of the Corporation including the following: courtyards, pool area, hallways, stairwells, the basement and the lobby. Smoking is defined as inhaling, exhaling, burning or carrying any lighted or heated cigar, cigarette, little cigar, pipe, water pipe or hookah, herbal cigarette, non-tobacco smoking product (e.g. marijuana or non-tobacco shisha) any similar form of lighted object or device designed for people to use to inhale smoke. Electronic cigarettes which are battery operated devices that heat a liquid, gel, herb or other substance that produce vapor for inhaling are also prohibited.

Smoking is also prohibited within twenty-five (25) feet of the residential entrance on Main Street.

Please note that this policy applies to all residents, guests or other persons on the premises including building staff.

Smoking on Balconies and Within Units

According to the Proprietary Lease, smoking is permitted within residential units and upon balconies. In order to minimize the risk of fire, we ask residents to stub out lit cigarettes and dispose of the used cigarette butts properly. Please do not toss used cigarette butts off the balcony.

Compliance

The Smoking Policy will be enforced in accordance with New York City law and the Rules and Regulations of the Greenbriar Co-op and Condominium. Penalties are between \$200 and \$400 for a first violation, between \$500 and \$1,000 for a second violation in a period of twelve months, and between \$1,000 and \$2,000 for a third and subsequent violations in a period of twelve months.

NOTICE DISCLOSING TENANTS' RIGHTS TO REASONABLE ACCOMMODATIONS FOR PERSONS WITH DISABILITIES

Reasonable Accommodations

The New York State Human Rights Law requires housing providers to make reasonable accommodations or modifications to a building or living space to meet the needs of people with disabilities. For example, if you have a physical, mental, or medical impairment, you can ask your housing provider to make the common areas of your building accessible, or to change certain policies to meet your needs.

To request a reasonable accommodation, you should contact your property manager by calling 516-876-4800, or by e-mailing info@kaled.com. You will need to show your housing provider that you have a disability or health problem that interferes with your use of housing, and that your request for accommodation may be necessary to provide you equal access and opportunity to use and enjoy your housing or the amenities and services normally offered by your housing provider.

If you believe that you have been denied a reasonable accommodation for your disability, or that you were denied housing or retaliated against because you requested a reasonable accommodation, you can file a complaint with the New York State Division of Human Rights as described at the end of this notice.

Specifically, if you have a physical, mental, or medical impairment, you can request:

- Permission to change the interior of your housing unit to make it accessible (however, you are required to pay for these modifications, and in the case of a rental your housing provider may require that you restore the unit to its original condition when you move out);
- Changes to your housing provider's rules, policies, practices, or services;
- Changes to common areas of the building so you have an equal opportunity to use the building. The New York State Human Rights Law requires housing providers to pay for reasonable modifications to common use areas.

Examples of reasonable modifications and accommodations that may be requested under the New York State Human Rights Law include:

- If you have a mobility impairment, your housing provider may be required to provide you with a ramp or other reasonable means to permit you to enter and exit the building.
- If your doctor provides documentation that having an animal will assist with your disability, you should be permitted to have the animal in your home despite a "no pet" rule.
- If you need grab bars in your bathroom, you can request permission to install them at your own expense. If your housing was built for first occupancy after March 13, 1991 and the walls need to be reinforced for grab bars, your housing provider must pay for that to be done.
- If you have an impairment that requires a parking space close to your unit, you can request your housing provider to provide you with that parking space, or place you at the top of a waiting list if no adjacent spot is available.
- If you have a visual impairment and require printed notices in an alternative format such as large print font, or need notices to be made available to you electronically, you can request that accommodation from your landlord.

Required Accessibility Standards

All buildings constructed for use after March 13, 1991, are required to meet the following standards:

- Public and common areas must be readily accessible to and usable by persons with disabilities;
- All doors must be sufficiently wide to allow passage by persons in wheelchairs; and
- All multi-family buildings must contain accessible passageways, fixtures, outlets, thermostats, bathrooms, and kitchens.

If you believe that your building does not meet the required accessibility standards, you can file a complaint with the New York State Division of Human Rights.

How to File a Complaint

A complaint must be filed with the Division within one year of the alleged discriminatory act. You can find more information on your rights, and on the procedures for filing a complaint, by going to www.dhr.ny.gov, or by calling 1-888-392-3644 with questions about your rights. You can obtain a complaint form on the website, or one can be e-mailed or mailed to you. You can also call or e-mail a Division regional office. The regional offices are listed on the website.

2022-2023 Fire and Emergency Preparedness Bulletin
For New York City Apartment Buildings

APARTMENT BUILDING FIRE SAFETY

E-Bike Fire Safety (Fire Safety Hazards Associated with Powered Mobility Devices)

There have been over 140 e-bike and other lithium-ion structural fires in New York City in the first 10½ months of 2022 alone. Six persons died and 140 persons were injured in these fires. Apartments have been severely damaged.

WHAT YOU NEED TO KNOW ABOUT E-BIKE FIRE SAFETY
(SEE NEXT PAGE)

E-bikes, scooters, hoverboards and other mobility devices powered by lithium-ion batteries have become popular. Many people store and charge them in their apartments. However, the devices' lithium-ion batteries and chargers present serious fire safety hazards.

**Immediately stop charging your e-bike
and call 911 if you notice:**

- Fire or Smoke
- Battery overheating
- Change in battery shape or color
- Battery leaking
- Strange battery smell
- Battery making odd noises

Powered Mobility Device Fire Safety

BUY only e-bikes or other mobility devices that are **CERTIFIED** by nationally recognized testing laboratory. Look for symbols such as UL, ETL and CSA.

- **WHY?** The laboratories test these products to make sure they meet industry standards and are safe to operate under normal circumstances.

USE the original battery, power adapter and power cord supplied with the device, or a manufacturer-recommended and/or a testing laboratory-certified replacement.

- **NEVER** use unapproved batteries/chargers, even if they are much less expensive.
- **WHY?** Unapproved batteries or chargers may not be designed to work with an e-bike or e-bike battery.
- **RESULT:** An unapproved battery may overcharge, overheat and catch on fire.

PLUG the e-bike directly into an electrical wall outlet when charging.

- **NEVER** charge an e-bike or e-bike battery with an extension cord or power strip.
- **WHY?** Lithium-ion battery charging requires a lot of electrical current, more than most extension cords and power strips can handle.
- **RESULT:** The extension cord or power cord can overheat and cause a fire.

CHARGE your e-bike or other device in a safe facility, not in your apartment, if possible. Ask your building or employer if they can provide a safe charging and storage facility.

- **WHY?** Lithium-ion batteries store a lot of energy and when they overheat they release intense energy. Most apartments are unsprinklered and many furnishings and household items are highly combustible.
- **RESULT:** A fire in your apartment can be devastating.

MAKE SURE you have a way out of the apartment in the event of fire!

- **NEVER** charge your e-bike next to the apartment entrance door or any other place where it could prevent your escape.

MONITOR your e-bike or e-bike battery when it is being charged.

- **READ** the manufacturer's charging and storage instructions and follow them.
- **NEVER** charge the battery overnight or when you are not in the apartment.
- **NEVER** charge an e-bike or e-bike battery on or near your bed or couch, or close to drapes, papers or other combustible materials.

RE: HOMEOWNER'S INSURANCE

Please be advised that the Board of Directors has updated the House Rules for Greenbriar Tenants Corp. to require that all Shareholders maintain a homeowners insurance policy.

A homeowner's policy will make certain that your personal property (e.g. furniture, electronics, clothing) is protected in an emergency. A policy will also pay for alternative housing should you be displaced.

If you currently have a homeowner's policy, please forward a copy of it at your earliest convenience to Kaled Management c/o Greenbriar Tenants Corp. 7001 Brush Hollow Rd. Westbury, NY 11590. You may elect to send it via email to Gturri@kaled.com.

If you do not currently have a policy, you have until December 31, 2022 to secure one. Going forward, you will need to provide proof of homeowner's coverage on an annual basis.

Thank you in advance for your anticipated cooperation.

GREENBRIAR PETS POLICY

Effective 2015, the following is the Pet Policy of the Greenbriar Tenants Corporation:

General Responsibilities:

Shareholders may keep dogs, cats, and contained pets in the Co-op if they follow this policy. Contained pets are a reasonable quantity of animals that are normally kept in a cage, tank, or other container. Examples include fish, birds, rodents, etc. Pets must be of a species and genus that are commonly and traditionally recognized as a domesticated human companion. Pets must be appropriate for the indoor and outdoor space available at the Co-op. The animal must not be one of an endangered species or otherwise under special government surveillance or control. Animals that are exotic, unusual or unknown as pets are not allowed. No venomous or constrictor snakes or other such animals are allowed in the co-op.

If a shareholder is not certain as to whether a pet is permitted or needs to be registered with the Co-op, the shareholder is responsible for consulting the Co-op before acquiring the pet.

Pet owners must comply with all state and local laws and ordinances governing pet licensing, vaccinations, and control. Owners must have papers proving that the animal satisfies all governmental controls.

Pet owners must show responsible and reasonable care for their pets.

Pets must be "registered" with the Co-op in accordance with procedures established by the Co-op Board.

No pets are permitted in Co-op common areas (laundry room, meeting room, office, hallways), except to pass through.

Registration Required:

Each dog and cat must be registered with the Managing Agent within 30 days after the dog and/or cat becomes resident in the building.

Specific Limitations on Number of Cats and Dogs:

A Shareholder household may have two dogs or up to four cats. Under no circumstances may any household have more than four uncontained pets. The Board retains the right to impose further limits on pets as the need arises. Nothing in this policy prevents a shareholder from imposing a "No Pets" policy on a sub-lessor.

Dogs:

Dogs weighing 40 pounds or less are permitted. The Co-op Board of Directors reserves the right at any time to prohibit certain breeds of dog from being kept on the premises by building residents.

GREENBRIAR PETS POLICY

.....
Fish:

Households may not have more than 40 gallons of fish aquariums. This is to avoid excessive condensation problems and water damages from accidents.

Breeding:

Insect breeding, research, or pet breeding on the Co-op grounds is prohibited.

Condition of Animals

All dogs and cats must be up-to-date with rabies vaccines (which is required by law). All dogs and cats must be spayed or neutered. Puppies and kittens, both male and female, should be spayed by six (6) months of age.

Certificate from Humane Society

A certificate from the ASPCA or other humane society or a veterinarian that proves that a dog or cat has been spayed or neutered and vaccinated for rabies must be filed with the Co-op when the pet is registered with the Co-op, or within one month of the pet turning the required age.

Exceptions may be granted by the Co-op Board which waive or delay these requirements. An exception requires a written statement from a vet indicating that the animal should not be spayed or neutered. There will be no exceptions for the requirement that dogs and cats be vaccinated for rabies.

Nuisance

Shareholders must clean up after their pets (stoop and scoop). Shareholders must repair any damage a member's personal property and to Co-op property caused by their pets. Shareholders must control their pets to prevent any chronic barking/howling or other noise that disturbs other shareholders. Animals must be contained to the owner's unit. Dogs must be leashed at all times when passing through co-op common areas (lobby, hallways, etc.).

.....
