GREENBRIAR PETS POLICY

.....
Effective 2015, the following is the Pet Policy of the Greenbriar Tenants Corporation:

General Responsibilities:

Shareholders may keep dogs, cats, and contained pets in the Co-op if they follow this policy. Contained pets are a reasonable quantity of animals that are normally kept in a cage, tank, or other container. Examples include fish, birds, rodents, etc. Pets must be of a species and genus that are commonly and traditionally recognized as a domesticated human companion. Pets must be appropriate for the indoor and outdoor space available at the Co-op. The animal must not be one of an endangered species or otherwise under special government surveillance or control. Animals that are exotic, unusual or unknown as pets are not allowed. **No venomous or constrictor snakes or other such animals are allowed in the co-op.**

If a shareholder is not certain as to whether a pet is permitted or needs to be registered with the Co-op, the shareholder is responsible for consulting the Co-op before acquiring the pet.

Pet owners must comply with all state and local laws and ordinances governing pet licensing, vaccinations, and control. Owners must have papers proving that the animal satisfies all governmental controls.

Pet owners must show responsible and reasonable care for their pets.

Pets must be "registered" with the Co-op in accordance with procedures established by the Co-op Board.

No pets are permitted in Co-op common areas (laundry room, meeting room, office, hallways), except to pass through.

Registration Required:

Each dog and cat must be registered with the Managing Agent within 30 days after the dog and/or cat becomes resident in the building.

Specific Limitations on Number of Cats and Dogs:

A Shareholder household may have two dogs or up to four cats. Under no circumstances may any household have more than four uncontained pets. The Board retains the right to impose further limits on pets as the need arises. Nothing in this policy prevents a shareholder from imposing a "No Pets" policy on a sub-lessor.

Dogs:

Dogs weighing 40 pounds or less are permitted. The Co-op Board of Directors reserves the right at any time to prohibit certain breeds of dog from being kept on the premises by building residents.

.....

GREENBRIAR PETS POLICY

Fish:

Households may not have more than 40 gallons of fish aquariums. This is to avoid excessive condensation problems and water damages from accidents.

Breeding:

Insect breeding, research, or pet breeding on the Co-op grounds is prohibited.

Condition of Animals

All dogs and cats must be up-to-date with rabies vaccines (which is required by law). All dogs and cats must be spayed or neutered. Puppies and kittens, both male and female, should be spayed by six (6) months of age.

Certificate from Humane Society

A certificate from the ASPCA or other humane society or a veterinarian that proves that a dog or cat has been spayed or neutered and vaccinated for rabies must be filed with the Co-op when the pet is registered with the Co-op, or within one month of the pet turning the required age.

Exceptions may be granted by the Co-op Board which waive or delay these requirements. An exception requires a written statement from a vet indicating that the animal should not be spayed or neutered. There will be no exceptions for the requirement that dogs and cats be vaccinated for rabies.

Nuisance

Shareholders must clean up after their pets (stoop and scoop). Shareholders must repair any damage a member's personal property and to Co-op property caused by their pets. Shareholders must control their pets to prevent any chronic barking/howling or other noise that disturbs other shareholders. Animals must be contained to the owner's unit. Dogs must be leashed at all times when passing through co-op common areas (lobby, hallways, etc.).
